

TURIN ANTIQUE FARM POWER SHOW AND TRACTOR PULL

LOCATION : BEHIND TURIN FIRE STATION, WILL BANKS ROAD, TURIN GEORGIA

DATE/TIME : THIRD SATURDAY IN AUGUST : PARADE LINE UP BEGINS AT 09:00 AM. PARADE STARTS AT 10:00AM.

GENERAL RULES/REGULATIONS

1. Absolutely no alcoholic beverages allowed.
2. No one is to be on the track except current puller and officials.
3. Track officials may disqualify any tractor driver for not pulling in appropriate gear for class (first for stock; second for modified is allowed), non-sportsmanship conduct, intoxication, or failing to stop when red flagged. Any driver so disqualified may not pull any more for the day.
4. Notwithstanding anything in the rules, if track officials believe there is danger to drivers, pullers, and/or spectators, a tractor will not be allowed to pull.
5. Pull officials decisions are final.
6. First, Second and Third place trophies will be awarded in each class.
7. Each weight class will be divided into Stock and Modified classes. See specifications and procedures below.

STOCK CATEGORY SPECIFICATIONS

1. Only antique farm tractors may pull. Antique farm tractors are any model farm tractor being made prior to and including 1965.
2. Tractors must be gasoline, L.P. Gas, tractor fuel or diesel fuel only. No injected or alcohol fuel allowed.
3. Tractor engines must not run in excess of 10% over factory high RPMs.
4. Tractors must maintain stock appearance, including engine.
5. There are no restrictions on tire width
6. Tires that have been altered by cutting, etc. are not allowed.
7. Add-on weights are allowed. No weights are to extend past 16" from the face of the front tires. If anything falls off during pull, tractor will be flagged. Securing weights before pull begins is recommended
8. Dual rear wheels are not allowed.
9. Drawbar should be no higher than 20" and no shorter than 18" from center of rear axle.
10. Tractors must have a removable clevis on drawbar.
11. Tractors must not have differential or drive line alterations.
12. Tractors must not have turbo or super-chargers unless it is factory equipment.
13. Tractors must have working brakes.

MODIFIED CATEGORY SPECIFICATIONS

1. Only antique farm tractors may pull. Antique farm tractors are any model farm tractor being made prior to and including 1965.
2. Tractor must be as near original as possible.
3. Engine modifications allowed.
4. Pulling in second gear allowed.
5. Cut and radial tires allowed.
6. Tractors must be gasoline, L.P. Gas, tractor fuel or diesel fuel only. No injected or alcohol fuel allowed.
7. Tractors must maintain stock appearance and stock engine block.
8. There are no restrictions on tire width
9. Dual rear wheels are not allowed.
10. Drawbar should be no higher than 20" and no shorter than 18" from center of rear axle.
11. Tractors must not have differential or drive line alterations.
12. Tractors must not have turbo or super-chargers unless it is factory equipment.
13. Tractors must have working brakes.

OPERATIONAL PROCEDURES

1. Tractors will be allowed to pull a total of three(3) times - If the same tractor pulls more than once in a given weight class, ONLY THE FIRST PULL WILL COUNT TOWARDS THE COMPETITION. Any additional pull in said class will be for show.
2. Stock tractors must pull in first gear. Modified tractors may pull in second gear.
3. Drivers must remain seated during the pull and have at least one hand on the steering wheel.
4. Persons under 18 years of age must have a track official and guardian approval before pulling.
5. Each puller has two(2) attempts to pass the 20' mark. The pull is counted after passing the 20' mark.
6. The pull is over when forward motion of sled has stopped, or when the red flag has dropped.
7. The front wheels of the tractor must not leave the ground more than 18" during the pull. Flagman's decision regarding 18" is final.
8. If the tractor or sled runs out of bounds, the pull will be red flagged and the progress of the sled will be measured at the point of infraction.
9. No reckless driving of tractors will be permitted on or off the track.
10. Drivers may not manually over-ride tractor governors.
